

Let Union Be Lyrics RPF 2013

In the daily, final gate closing scene we will all parade out of the front gate and then sing. Oh, yes, we will all sing! "Let Union Be" is the name of the tune. Stu and Heather will make an MP3 available for us very soon. For now, here are our lyrics:

Let Union Be

1. Come me boys let us be jolly,
drive away all melancholy,
For to grieve it would be folly,
When we're met together!

Let union be in all our hearts,
Let union join our hearts as one.
We'll end the day as we begun,
We'll end it all in pleasure.

2. Raise your cup of wine or beer!
A Toast to Deptford oh so dear!
Fifty-one years and we're still here!
When we're met together!

Let union be in all our hearts,
Let union join our hearts as one.
We'll end the day as we begun,
We'll end it all in pleasure.

3. Farwell Friends from Deptford Shire
To our homes we now retire,
Let our voices e'er sing higher
When we're met together!

Let union be in all our hearts,
Let union join our hearts as one.
We'll end the day as we begun,
We'll end it all in pleasure.
Whack-folla-rolla-rye, too-ra-lie-doe (3x)
When we're met together.

After the song is over, the Queen will end our day with a few words and then we will parade back into the show through the participant gate (like we did last year for the end of the season parade).
